

Admission for Students Graduating from Non-Accredited Institutions (including Home Schooled Students)

Students attending institutions which are not regionally accredited may submit transcripts for review to determine admissibility. The regional accrediting agencies are as follows:

- ◁ Middle States Association of Colleges and Schools
- ◁ New England Association of Schools and Colleges
- ◁ North Central Association of Colleges and Schools
- ◁ Northwest Commission on Colleges and Universities
- ◁ Southern Association of Colleges and Schools
- ◁ Western Association of Schools and Colleges

Students graduating from home-school programs must comply with the same requirements as students graduating from traditional programs.

The validity of international transcripts will be determined by the Office of International Admissions.

If a student meets regular admission standards and has earned college level courses at an unaccredited institution of higher learning, the student may be given provisional credit. However, the credits will not be considered for acceptance until the student has attended Troy University as a full-time student for two semesters and has met the grade point average necessary for good standing. Credits will be reviewed by the dean of the discipline and the Records Office. A determination will be made based on (1) the unaccredited institution's affiliation with the Commission on Recognition of Post Secondary Accreditation; and/or (2) acceptance of credit by at least three other accredited institutions located in the area of the unaccredited institution. Contact the dean of enrollment management or the Global Campus site director for more information.
