

ADMISSION REQUIREMENTS

Troy University seeks to admit students who possess the intellectual capacity, maturity, previous training, and motivation necessary for success in educational programs. Troy University welcomes applications from a variety of students including traditional college age students, adults who will combine their educational pursuits with work, or life-long learners who are simply seeking enrichment. Programs and courses are offered for full-time and part-time students, and are offered in a variety of formats and times including traditional day classes, night classes, and weekend classes. Programs or classes are also available online and through other alternative methods of educational delivery.

Students are encouraged to apply well in advance of proposed start dates. The University reserves the right to investigate and review the records of any applicant to determine the applicant's eligibility to enroll.

All applicants who are graduates of accredited high schools must submit an official transcript showing graduation and a minimum of 15 Carnegie units, with three or more units in English. Of the units presented, 11 must be university-level units.

A. Unconditional Admission

Beginning freshmen who are graduates from a regionally accredited and/or state approved high school or who have earned a state issued GED (General Education Diploma) with a cumulative score of at least 500 may be granted unconditional admission with proof of an acceptable test score (20 on the ACT or 950 on the SAT-1) and a minimum high school GPA of 2.00 on a 4.00 scale. The writing component on either test is not currently required or assessed in the evaluation for admission. Students at least 25 years of age are not required to submit ACT/SAT scores unless the high school GPA is below a 2.00.

B. Conditional Admission

Any applicant who does not qualify for unconditional admission may enroll at Troy University as a conditionally admitted student by meeting the following criteria:

If the high school GPA is less than 2.00 (on a 4.00 scale), the applicant must have a minimum composite score of 20 on the ACT or 950 on the SAT-1.

If the applicant's composite score on the ACT is less than 20 (but at least 17) on the ACT or 950 on the SAT-1 (but at least 830), the cumulative high school GPA must be at least 2.50 (on a 4.00 scale).

If the applicant, under 25 years of age, has earned a state issued GED with a cumulative score of at least 500 and has a composite score on the ACT of less than 20 (but at least 17) or less than 950 (but at least 830) on the SAT-1.

Conditional admission must be granted to students who do not meet the above criteria but who have completed at least 15 units of college coursework at other colleges or universities.

Transfer Applicants

Transfer applicants must have attempted at least 24 credit hours of coursework, excluding developmental courses, at other colleges or universities.

Academic credit and/or degrees accepted by Troy University must be earned at regionally accredited U.S. institutions or at foreign universities whose academic credit and/or degrees have been evaluated and determined to be equivalent to that awarded by a U.S. institution. All transfer credit is evaluated in terms of level, content, quality, comparability, and degree program relevance.

Transfer applicants must have official transcripts (on security paper with registrar's signature and without "issued to student") from each college or university they have previously attended sent
