Notes

- 1. Total Home Location Total number of students based on the student's home location. These figures are duplicated counts since some students are enrolled at multiple locations.
- 2. Total Course Location Total number of students enrolled in a course at the location listed. For example, a student who attends several courses at one location and one or more courses at a second location is counted twice, once at each location.
- 3. Unduplicated Headcount Total number of students enrolled throughout the University. Each student is counted once regardless of the number of campuses/sites at which the student is enrolled.
