My Dear Little Mountain M^riedy

It seems as if you

can't get a letter from me
cable you tomorrow. I am
am well and alive.

I can't understand what the trouble
is for I get joyous letters
of mine.

I haven't had a letter from her
in about two weeks but I guess
is alright. I would get a cable.

I am at present in a hospital
duty - I would like to have
German say, and I wish to have
least this much.

I have called ~~you~~ ~~to~~ ~~come~~ ~~on~~
I take a car + had had my "man" in
with the ~~best~~ ~~of~~ ~~the~~ ~~best~~ ~~of~~ ~~the~~ ~~best~~
of seeing each other every day then,
even if I can't see you all.

I am disgusted, for I wanted to
come home to you, but I think my
is for the best, so I will try to keep
my mouth shut and just work.

I am putting on ~~the~~ ~~best~~ ~~of~~ ~~the~~ ~~best~~
Germany in my way.

The people are ~~not~~ ~~to~~ ~~be~~ ~~and~~
in the main are very meek and
humble so that we ~~do~~ ~~not~~ ~~have~~ ~~any~~
trouble at all with them.

Don't, I am glad you took a trip,
and I am happy that 14, 14, 14
people have at last recognized you.

Listen Dad, tell me what you have done with the beech in the two years you have been with it, what you

Do you ~~think~~ think you will move to Birmingham? I hope you do, I think the change will be a good thing.

Mother, if you don't take good care of yourself, I will certainly get you when I get home.

Listen Dad - you know Mr. Carruth at Cotwood but you will do make it convenient to see him. I'll tell him that I wrote you that I had they were going to keep Charlie over but for the moment I'll let it in case

of these hospitals - I would express
thanks & request their return of money
again.

We are working to get a
lodge established over here and an
Eastern Star Chapter.

I have attended to the
in Cobleskill and it has been
good to see that we are able to get
like church we are able to get
apparently and I can't wait
to hear a good reason occasionally.

I must be in good luck, I will
be just about what I need - something
forceful and strong - nothing but
straight goods.

I had quite an association
in this place with the P. O. & the

work with. I took messes in the morning
but I got by with a few more in the

I wish I could have you all here
here with me, really, I mean
do more to Birmingham if I could
mother takes a whole lot more
on the... I'll visit...
battlefield and training...
where...
Can't you do that? I'll...
take long with you...
enjoy the trip...
if you wish come I will meet
you...
you around...
...with...

I can speak German...
alright but I couldn't make a...

talks with the "messenger".

Don't forget to tell the

Lieut. Colonel ~~and~~, but I suppose
he will be going home before
very long, as all reserve corps men
will have to be out of the reserves
by the last of the messenger.

Mother, I don't know if you
saw the "messenger" in the "messenger"
but you need not tell all with
it. It is a "messenger" down in
in the first round and last
tutth in the "messenger" and
and glad to list.

I am still ~~in~~ ~~the~~ ~~reserves~~ ~~and~~ ~~the~~ ~~reserves~~
boxing over here and I just
recently beat the best ~~in~~ ~~the~~ ~~reserves~~
in the 3rd division by ~~and~~ ~~the~~ ~~reserves~~

him quit in the first round.

I haven't any more on false teeth as now.

Fought about 20 times in some of the best

too, and I haven't been lighted yet.

I fought a light-heavy who fought for the A.S.T. Championship

for 4 rounds as which I bested him on points - that was

best fight - but my C.O. now won't let me fight

found three opponents

and tried to get a fight

C.O. said no official were given box if he knew it

in trouble.

I haven't got much to do, but I

making a number of
times, and I have
friends, who I have
just one over

What I was about to
to take but it is
long after that
and I am
with a
million
you
Arthur
