Dear Mr. [unclear],  
This is a memorial  
and I have just come back  
from Church where we had  
a Memorial Service.

All those who gave their  
lives in the [unclear] [unclear]  
or else where will be honored  
to-day and to-morrow by  
members of the [unclear] [unclear]  
General [unclear] [unclear] at one  
of the [unclear] [unclear] [unclear]  
officers and men in [unclear]

It was church time by then  
I went by the  
told her and then walked in  
Church later as a result of my  
puppy. How was she happy to  
told him (part) that  
he would help him and sit  
him then he would  
so hard to take care of.
